From Our Pastor

This is an exciting and sacred time for you. Thanks for allowing us to be a part of this special time for you and your families. We make a few assumptions when you ask us to perform your wedding ceremony at Greenwood United Methodist Church:

- You are professing Christians*
- You want God actively involved in your lives.*
- You desire the blessing of the Church.*
- You are willing to participate fully in counseling, so that the day of the wedding ceremony will be the beginning of a fulfilling and joyful lifetime of marriage.*

This is indeed a beautiful place to be married. But the true beauty of your wedding will be through your faith and the covenant you make in the context of that worship service.

Within this context of understanding:

- 1) We assume you are active in the life of a local church. If you are active in another church, we will encourage you to be married at your local church.*
- 2) If you are not currently active (including weekly attendance of worship and church school), we will strongly encourage you to attend during the counseling process.*

We take very seriously our responsibility to prepare you for a lifetime together, and trust that you will participate in this process.

In The Beginning

Once the date for your wedding has been cleared you will receive a contract to be signed by both the bride and groom. This contract along with a \$200 deposit must be returned by the date stated in the contract for the wedding date to be confirmed and held. Failure to return the contract will void the date.

The wedding ceremony will be in accordance with the Ritual of the United Methodist Church; and is under the supervision of the pastors who are appointed to serve Greenwood United Methodist Church. The pastor, in consultation with the couple, will help design an appropriate liturgy and service.

“We affirm the sanctity of the marriage covenant which is expressed in love, mutual support, personal commitment, and shared fidelity between a man and a woman. We believe that God’s blessing rests upon such marriages, whether or not there are children of the union. We reject social norms that assume different standards for women than for men in marriage.”

When unusual circumstances warrant the participation of guest clergy, the request is first made known to the Greenwood pastor who is in charge of your wedding ceremony. If the use of a guest clergy is approved, the Greenwood pastor will extend an invitation, on your behalf, to him/her to share the ceremony. To avoid embarrassment or confusion, please do not speak with another minister about the possibility of assisting in your service prior to speaking with our Greenwood pastor.

The Wedding Coordinator

Once your date has been approved by the pastor and recorded by the secretary, the wedding coordinator is the facilitator of arrangements before and during the wedding. She is responsible to see that all church policies are followed, and she will be present at rehearsal. On your wedding day she will arrive **two and 1/2 hours prior** to the service and will be available throughout the ceremony to help assure your wedding is a sacred and memorable experience.

The Use Of The Church

Greenwood United Methodist Church has facilities for almost any size wedding. The sanctuary seats approximately 375 people with 12 rows of pews on each side of a center aisle. The chapel seats approximately 75 people.

The customary time allotted is **up to four and 1/2 hours**. This allows ample time to decorate the Church, dress for photographs, and continues until the building has been cleaned, arranged for worship service and secured after the ceremony.

Additional time is the exception and must be approved by the wedding coordinator and the pastor. If you find you have such a need, please discuss it immediately. Please keep in mind, an overtime fee may be charged if extra time, before or after the ceremony, is granted.

The church makes arrangements for all necessary custodial services.

Normal service includes:

- 1) **Opening the church for the rehearsal and wedding**
- 2) **Provide for heating, air-conditioning and lighting as needed.**
- 3) **Provide dressing rooms - PLEASE DO NOT leave items of value such as cameras, jewelry, purses or wallets in the room. It is wise to ask a friend to care for such items.**
- 4) **Cleaning the church after the wedding.**

Weddings can be scheduled no later than 6:30pm on any Saturday or any other day prior to a religious holiday celebrated in the church, unless special circumstances are extended by the pastors.

Many couples are using a slide show while guests are being seated. If this is something you want you should provide a **DVD at least 2 weeks prior** to the wedding. This allows our sound tech to make sure your DVD is compatible with our equipment. **No one** other than our sound tech may operate the computer/video system.

Notes and Questions

For Your Florist

We welcome you to Greenwood United Methodist Church. Our United Methodist worship life includes the use of liturgical colors, altar hangings, and banners as part of our witness. Some seasons have distinctive colors and plants that remain in place for weddings. Be sure to check with the wedding coordinator to discuss what colors may already be in place at the time this wedding is scheduled.

Aisle runners need to be 75' in length.

If you are **NOT** using an aisle runner please drop only artificial flower petals as live ones may stain the carpet.

Seasonal decorations **may not** be moved or rearranged. This includes banners and wall hangings.

Sanctuary furnishings and altarware are **NOT** to be moved. Please place pads under all containers and candelabra to protect the surroundings.

Aisle flowers are to be attached to the pews with ribbon or elastic so as not to remove the finish from the wood.

Delivery arrangements should be made in advance with the wedding coordinator. It is customary that the church be opened **two and 1/2 hours prior to the wedding ceremony for deliveries and decorating.**

Please plan to remove all decorations immediately after the wedding. The exception is arrangements left as altar flowers for Sunday services.

Though we assume it won't be necessary, in case of any damage to church property as a result of your negligence, you will be responsible for the repair or cleaning.

Together, we can provide treasured memories for the couple and still honor our congregational and denominational concerns,

We look forward to working with you.
