

Greenwood United Methodist Church

Psalm 150

Praise the Lord.

Praise God in his sanctuary;

praise him in his mighty heavens.

Praise him for his acts of power;

praise him for his surpassing greatness.

*Praise him with the sounding of the trumpet, praise him with the harp and lyre,
praise him with timbrel and dancing, praise him with the strings and pipe, praise
him with the clash of cymbals, praise him with resounding cymbals.*

6 Let everything that has breath praise the Lord.

Praise the Lord.

The GUMC Music Ministry is excited to announce a project to replace our 50+ year old organ. Music Director Drew Worthen has committed to undertake the construction of a state of the art organ capable of emulating many of the greatest pipe organs around the world.

The total cost of this project will be approximately \$25,000.00. This is significantly less than the cost of a new organ due to Drew's knowledge and ability to construct such an instrument using computer and electronic components inside of an organ body.

The GUMC Music Department is committed to raising funds for this project,

We are asking members of GUMC to contribute to this worthwhile effort by pledging a lump sum or a monthly amount to be collected over the next twenty four (24) Months.

Please prayerfully consider contributing to the New Organ Fund.

If you have any questions please contact David Penoff at 317-500-0190,

Your support is greatly appreciated!
